

# Tariff of Mortgage Charges

Effective 20th May 2026

Monmouthshire Building Society is closely involved in the mortgage industry's initiative with UK Finance and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages. When looking at the fees that other firms charge, you may notice some that do not appear in our tariff (below). This means we don't charge you these fees.

When you will pay this charge		
Before your first monthly payment		
These are the fees and charges you may have to pay before we transfer your mortgage funds.		
Name of charge	What this charge is for	How much is the charge?
Funds transfer fee	Electronically transferring the mortgage funds to you or your solicitor.	£11
Legal fee	You will normally instruct a solicitor to act on your behalf in connection with your home purchase transaction. You may be required to pay their legal fees and costs as part of their work on your behalf. These fees / costs are normally charged by the solicitor, directly to you unless we tell you that we will contribute to the legal costs as part of your product deal.	<b>These fees/costs are charged by the solicitor directly to you. Please contact your solicitor for details.</b>
Product fee	This is charged on some mortgages as part of the deal. It can be paid upfront or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	<b>Variable and by product, with details available upon request.</b>
Re-inspection fee	If your mortgage is released in stages and you're using it to renovate your home, this covers the new valuation we need to do after the work's carried out.	£80
<p><b>Valuation fee:</b></p> <p>The lender's valuation report is used to calculate how much we will lend you and is included within your application. This is separate from any valuation or survey of the property you might want to commission. There are homebuyers or building survey options available to you at a cost. Please note that a building survey is not a structural survey. The valuer may recommend a structural survey to be undertaken. Speak to your Broker or Adviser for further information.</p>

Consenting to a second or subsequent charge	If you borrow money from another lender, secured against a property in mortgage to the Society, and are not intending to repay your mortgage with the Society, then you require our consent and we charge this fee for reviewing your account.	£25
Partial release of security	If you request to release part of the security the Society has in charge.	£60

### If you change your mortgage

**NB** If you change to a new mortgage product, the 'before your first monthly payment' fees may also apply at this stage.

### If you are unable to pay your mortgage

These are the most common charges you may have to pay if you fail to keep up with your mortgage payments. Some charges, for example those covering unpaid/returned direct debits or cheques, occur at the early stages of your inability to pay (arrears). Other charges, for example, relating to our repossession of the property, may apply later in the process and will be dependent on your circumstances.
