More information

Standard Variable Rate (SVR)

A Standard Variable Rate (SVR) is a mortgage interest rate set by us. The SVR for our buy-to-let mortgages is published on our website and can be varied from time to time in accordance with the mortgage conditions. A copy of the mortgage conditions can be found on the documents page of our website www.paragonbank.co.uk

Track to Fix

From 8 December 2022 all our new discounted products benefit from our Track to Fix feature. This means that at any time during the discounted product term, a landlord can apply to switch to any of our product switch fixed rates available at that time, without incurring an early repayment charge. All product switches will be subject to any eligibility requirements being met at the time of application.

Fees

Any fees added to the loan will be taken into account for higher LTV applications and included within the maximum loan available and LTV calculations. The total amount of loan plus any fees added must not exceed 80% LTV.

| Name of charge | What is this charge for? | How much is the charge? |
|----------------|--|--------------------------------|
| Product fee | This fee can be added to the loan and may be included in the LTV and maximum loan calculations for higher LTV loans. | See individual product details |
